

## **SPRINKLER RECALL UPDATE**

Comunale is under contract to replace the recalled sprinkler heads that exist in some homes in DuPont. They have submitted a timeline to start with general sprinkler head replacement on or about February 1, and will strive to complete the process by March 31, 2010. Comunale will demonstrate the replacement process to the Fire Marshal, Fire Department personnel, and Public Works personnel. On January 12, Comunale will mail out notices to approximately 240 homeowners that are effected by the recall. Two public meetings to explain the process have been scheduled at City Hall on January 21 and January 28 at 7PM.
